PaceBlade

BUILT TO WORK ANYWHERE YOU WANT...

The power of a full PC in a semi-rugged Tablet design that provides the flexibility to work anywhere. Whether it is in the office or outdoor, the new EasyBook P9 is built to support your professional activities. Easy to use by means of the resistive touchscreen and the PaceBlade OnScreen keyboard. It is highly mobile due to the small size and weight.

The IP51 rated EasyBook is protected to dust and rainfall, is powered by the Intel Atom N270 Processor (1.6 GHz), is suited with a 160 GB SATA Hard Disk Drive and is standard delivered with 8.9 inch, sunlight readable TFT LCD Touch Panel (1024 x 600).

Plus with the optional CMOS Camera module (1,3 Mpixel), GPS (20-channel), alternative Disk (32 GB/64 GB SSD or 250 GB SATA), more memory or deskstation, the EasyBook can be configured to meet nearly everyones needs.
